DATE OF DECISION

RESPONDENT Who made the decision you are appealing?

James Edwards Executive Director
NAME POSITION

RELIEF SOUGHT What outcome are you requesting?

Tribunal to order something to be done under s. 23 of the Act
Issue a declaration that the decision was illegal
Breach of law was done while under probation. I requested in a council meeting that the ED probation be extended and for several other positions the ED was holding to be removed to focus solely on the ED duties. This did not occur even though council was informed that this law had been broken. The LOE process for the ED position was sped up and complete before the end date of the probation.

GROUND(S) FOR APPEAL Briefly set out the reason(s) why the decision should be changed as requested above.
If this is a challenge to the validity of a Huu-ay-aht law, see *Tribunal Act*, s. 26

Purchasing Policy Section 4 sub section 1.B of the Government Act Section 56
The Huu-ay-aht First Nation puts great faith in our Executive Director to make sure our finances are being looked after correctly and that our laws that we spent a great deal writing be respected and followed. If we can't see while the ED was under probation laws being followed how can we trust that laws will be followed in the future?
