Re: Tribunal Directive 2014-05

The Tribunal is in receipt of a letter dated July 22, 2014, from Ms. Novet respecting Tribunal Directive 2014-05, appointing Ms. Florence Wylie to consider and decide the application of the Executive Council for costs.

Counsel and the Tribunal Chair discussed this matter by conference call on July 24, 2014.

I confirm that, as Tribunal Chair, I am of the opinion that matters raised in the July 22, 2014 letter have been addressed by the Tribunal. Accordingly, Tribunal Directive 2014-05 remains in effect.

Yours truly,

John Rich
Tribunal Chair
