

Review Engagement Report

To the Citizens of Huu-ay-aht First Nations:

At the request of the Executive Council, we have reviewed the Consolidated Schedule of Salaries, Honoraria Travel Expenses and Other Remuneration of the Huu-ay-aht First Nations for the year ended March 31, 2013 in accordance with the Nation's funding agreement with Aboriginal Affairs and Northern Development Canada. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by management.

A review does not constitute an audit and, consequently, we do not express an audit opinion on this financial information.

Based on our review, nothing has come to our attention that causes us to believe that this financial information is not, in all material respects, in accordance with **the Nation's funding agreement** with Aboriginal Affairs and Northern Development Canada.
