ANCIENT SPIRIT, MODERN MIND

Distribution Process

1. Please line up - distribution occurs based on order of arrival
2. If you have a Food Fish Release form (a note) to pick up fish for someone else, hand it to HFN Staff when you first arrive – they will number each one. These fish will be handed out after everyone present has been served, in the order the notes were received
3. When it's your turn, sign next to your name and the name(s) of everyone else you pick up for
4. Wait beside the truck to receive your fish – For everyone's health and safety, only HFN Government staff may board the truck and handle the fish

Rules to Remember

ELIGIBILITY: All citizens on the current Citizens list are eligible for food fish

PICK-UP LOCATION: You can only receive fish at the location we have on file for you – even if you are visiting another town on its distribution day

CONTACT INFORMATION: You are responsible for informing the office of phone number or address changes before distribution

TIMING: Fish will only be distributed during the hours posted – See our website or Facebook page for specific times.

NOTES FOR PICK UP: If you need someone else to pick up your fish, you must fill in a *Food Fish Release* form available from HFN Government Offices or Website – Handwritten notes are acceptable only if they contain all the same information requested on the official form and are written on letter sized paper.

**Thank you for your patience and respect for this process and
our Staff**

Harassment is not tolerated and will result in no fish
