**Note to Reader**

The *Land Act* sets out the framework for the management, protection and disposal of interests in Huu-ay-aht Lands. The Huu-ay-aht maintain ownership of all Huu-ay-aht Lands. Eligible parties may apply for an interest in the land, such as a residential lease or a natural resource tenure, and receive the interest if Executive Council considers it is in the best interests of the Huu-ay-aht. An interest in Huu-ay-aht Lands may not exceed 99 years.

For example, Executive Council may grant a 99 year residential lease in Huu-ay-aht Lands which must be registered in the Victoria land title office. Leaseholders may use their registered lease to grant other interests such as a mortgage to construct a house.

The Director of Lands & Natural Resources may grant temporary interests in certain Huu-ay-aht Lands, including permits of occupation or resource harvesting permits. Temporary interests may not exceed 6 months.

This Act also sets out:

- A Huu-ay-aht land registry and a Huu-ay-aht land registrar responsible for maintaining records for public inspection. The registry is for information purposes only.
- Offences and penalties for trespass and the unauthorized use of Huu-ay-aht Lands. Offenders may be ticketed and be liable for damages.
- Expropriation of interests in Huu-ay-aht Lands by government for certain purposes provided that fair compensation is paid to the interest holder.
