STUDENT RECOGNITION PROGRAM 2015

HFN encourages Huu-ay-aht children to attend school regularly. Regular attendance in school helps children keep up with their studies and peers, makes it easier to learn to read and can build a child's confidence. Good attendance in school also sets the stage for the rest of their lives to do well in high school, college and at work.

Huu-ay-aht First Nations' students completing **Grade 1 through 12** are eligible to apply for attendance recognition at the **end of every school year**. Please submit attendance summary for entire academic year

(September 2014 – June 2015).

HFN also recognizes academic achievement for students who have completed **Grades 4 through 12** with a GPA of at least 6.0 (a "B" average). Please submit all marks from the academic year (individual report cards or year-end summary of marks).

Huu-ay-aht citizens may apply for the 2015 student recognition program **until September 30, 2015**.

Recognition rate is based on grade level & attendance of 10 months/185 days in a school year

Grades 1 through 9: \$10.00 / month = \$ 100.00

Grades 10 through 12: \$20.00 /month = \$ 200.00

- Recognition is based on attendance. There are 185 days in a school year.
- Students are permitted 15 days of absences for illness during the school year. If more than 15 absences are reported, the student may qualify for a reduced recognition amount. Students do not qualify for attendance recognition if they are absent for 35 or more days during the school year.
- Students in self-paced learning/home schooling **do not** qualify for the attendance recognition program.
- Honour Roll recognition is for students in Grades 4 through 12 for students with a "B" Grade Point Average (GPA) through the year.
