4. **ROLES AND RESPONSIBILITIES**

*Executive Director:*

Except as otherwise expressly provided in this Policy, the Executive Director is responsible for the handling of all complaints and may delegate, in writing, responsibility for the handling of a particular complaint or class of complaints to another government employee, who will then be responsible for the handling of that particular complaint or class of complaints. Without limiting the foregoing, the Executive Director or the assigned employee, as applicable, must:

(a) assess, record, monitor and track the complaint;

(b) ensure that sufficient detail is recorded regarding the complaint;

(c) ensure that anyone involved in the complaint has an opportunity to be heard;

(d) ensure that the complaint is resolved within the timeframe specified in this Policy; and

(e) provide written notification of the outcome to the complainant, including the reasons for that outcome.
Employees:

Government employees who receive a verbal complaint should, if reasonable in the circumstances, attempt to resolve the complaint at that time or direct it appropriately within the administration. If such resolution is not possible or practical, the employee should make the complainant aware of this Policy.

Executive Council:

Where a complaint is in relation to the Executive Director, Executive Council is responsible for the handling of that complaint and may appoint another government employee to assist with that complaint or category of complaints.

5. MAKING A COMPLAINT

Complaints must be submitted in writing to the Executive Director or to the Chief Councillor, if the complaint is in relation to the Executive Director. Complaints cannot be made anonymously and must include current contact information for the complainant, including his or her mailing address and telephone number.

6. TIMEFRAMES

Acknowledgment of Receipt:

All complaints must be acknowledged in writing by email, mail or facsimile at the email address, mailing address or facsimile number provided by the complainant within 5 days of the complaint being received.

Outcome of Complaints:

Complainants must be provided written notification regarding the outcome of their complaint within 30 days of the complaint being received unless an extension of time is granted by the Executive Director, Chief Councillor or Executive Council.

If the Executive Director—or, in the case of a complaint regarding the Executive Director, the Chief Councillor—believes it is necessary, he or she may grant an extension of time to reach an outcome in respect of a complaint to a maximum of six months following receipt of the complaint.

An extension of time beyond six months after the complaint is received may be granted by Executive Council if it believes such extension is reasonably necessary.
If an extension of time is granted, the individual or body responsible for the handling of the complaint must:

(a) provide the complainant with written notification of the status of the complaint, including the reason for the delay and expected timeline until an outcome will be reached, and  

(b) continue at least once every 30 days to provide written updates on the status of the complaint until written notification of the outcome of the complaint is provided.

**Complaints Against the Executive Director:**

Upon receipt of a complaint in relation to the Executive Director, the Chief Councillor must forthwith refer that complaint to Executive Council.

7. **INVESTIGATIVE APPROACH**

A standard approach to investigating a complaint may include:

(a) a review of any relevant legislation or internal policies and procedures;  

(b) gathering of necessary information, consultation with relevant persons and assurance of a thorough understanding of the issues; and  

(c) establishment of facts, including analysis of any evidence for quality, corroboration or contradiction.

8. **REMEDIES**

During an investigation, consideration should be given to what remedial action may be appropriate and what systems improvements may be required, for example:

(a) an explanation;  

(b) a change of decision;  

(c) formal or informal dispute resolution;  

(d) an apology;  

(e) correction of misleading or incorrect records; or  

(f) whistleblower protection.
9. **RECORD OF OUTCOME**

For all complaints, the individual or body responsible for the handling of the complaint must, following completion of the investigation in relation to that complaint, prepare a written report regarding the complaint, including:

(a) a summary of the complaint;

(b) a summary of any evidence;

(c) in relation to each claim made by the complainant, a decision as to whether that claim has been substantiated;

(d) if the complaint, or any portion thereof, is found to be substantiated, details of any remedial actions that have been or should be taken;

(e) if the complaint, or any portion thereof, is found not to be substantiated, reasons for this decision; and

(f) copies of any documents relied on in making the decision.

The Executive Director must ensure that:

(a) an original copy of every final report is kept at the Huu-ay-aht First Nations administrative office located in Port Alberni, BC;

(b) a copy of every report is provided to Executive Council; and

(c) a summary of all reports completed in the preceding 12 months is provided to Executive Council on an annual basis on or before August 30 of each year.

10. **NOTICE OF OUTCOME**

Unless the complainant has indicated that he or she does not wish to receive further correspondence in relation to the complaint, a complainant must be provided a copy of the final report in relation to his or her complaint, together with information regarding his or her right to refer the complaint to the Tribunal for reconsideration.

Where possible the complainant may be advised of the outcome of his or her complaint by telephone; however, advising a complainant of the outcome by telephone does not eliminate the requirement to provide a hard copy of the final report to the complainant.
11. **APPEALING OUTCOME**

   If a complainant considers his or her complaint to be unresolved or remains dissatisfied with the outcome reached under this Policy, they may refer their complaint to the Tribunal for reconsideration. For greater certainty, the Tribunal will determine whether or not it has jurisdiction to hear the complaint.

12. **POLICY REVIEW**

   This Policy will be reviewed by Executive Council after one year in March, 2015 and thereafter every five years.
