ANCIENT SPIRIT, MODERN MIND

ATTENTION ALL HFN HUNTERS

Please remember to report your harvest of wildlife on a Maa-nulth Wildlife and Migratory Bird Harvest Reporting Form (below).

Your harvest information will be entered into the Maa-nulth Electronic Reporting Program (MERP). This information assists with wildlife population estimates for our Maa-nulth Wildlife Harvest Area and helps to track what our wildlife needs are as a Nation.

Please send forms to either Government Office or fax to 250 728-1222. If you have any questions, please contact Christine Gruman, Manager of Natural Resources and Trade or christine.g@huuayaht.org or Stephen Smith, Wildlife and Non-timber Forest Products Coordinator stephen.s@huuayaht.org, both at the Anacla Government Office.

Happy hunting!
