#### Article IX. MISCELLANEOUS

Section 9.1 No provision of this Agreement will be considered to have been waived unless the waiver is in writing, and a waiver of a breach of a provision of this Agreement will not be construed as or constitute a waiver of any further or other breach of the same or any other provision of this Agreement, and a consent or approval to any act requiring consent or approval will not waive or render unnecessary the requirement to obtain consent or approval to any subsequent same or similar act.

Section 9.2 No remedy conferred upon or reserved to the Huu-ay-aht under this Agreement is exclusive of any other remedy in this Agreement or provided by law, but that remedy will be in addition to all other remedies in this Agreement or then existing at law, in equity or by statute.

Section 9.3 This Agreement extends to, is binding upon and enures to the benefit of the parties, their heirs, executors, administrators, successors and permitted assigns.

Section 9.4 Time is of the essence in this Agreement.

Section 9.5 In this Agreement, unless the context otherwise requires, the singular includes the plural and the masculine includes the feminine gender and the corporation.

Section 9.6 The captions and headings contained in this Agreement are for convenience only and are not to be construed as defining or in any way limiting the scope or intent of the provisions herein.

Section 9.7 If any section of this Agreement or any part of a section is found to be illegal or unenforceable, that part or section, as the case may be, shall be considered separate and severable and the remaining parts and sections of the Agreement shall not be affected thereby and shall be enforceable to the fullest extent permitted by law.

The Tribunal may direct to and by whom and in what manner costs or any part thereof will be paid, and may tax or settle the amount of costs to be paid or any part thereof, and may award costs to be paid as between solicitor and client.

Section 9.11 Each party will, upon the request of the other, do or cause to be done all lawful acts necessary for the performance of the provisions of this Agreement.

Section 9.12 Wherever this Agreement provides that an action may be taken, a consent or approval must be obtained or a determination must be made, then the Huu-ay-aht or the Permittee, as the case may be, will act reasonably in taking such action, deciding whether to provide such consent or approval or making such determination; but where this Agreement states that the Huu-ay-aht or the Permittee have sole discretion to take an action, provide a consent or approval or make a determination, there will be no requirement to show reasonableness or to act reasonably in taking that action, providing that consent or approval, or making that determination.
