INTERNAL IMPLEMENTATION  
OF JORDAN'S PRINCIPLE***

- 1 Policy Goal
- 2 Policy Statement

**Policy Goal**

- 1 The goal of this policy is to ensure that no HUU-ay-aht citizens or families experience delay or denial of available service due to uncertainty about responsibilities as between HUU-ay-aht departments.

**Policy Statement**

- 2 When there is uncertainty about which department, as between the Community Services Department and the Child and Family Wellness Department, is responsible for providing a HUU-ay-aht government service to an individual or family, the department of first contact will provide or ensure provision of the service. Where necessary and appropriate, that department may afterward seek allocation or reimbursement of the funds from the other HUU-ay-aht department.
