WRITTEN MOTION of the PEOPLE'S ASSEMBLY

(Government Act, s. 86)

For ease of reference, this motion may be referred to as:

Motion Regarding Elders Firewood Policy

Whereas:

- a) Elders living on Treaty Settlement Lands are provided with firewood by the Nation but there is no policy in place regarding the provision of this firewood to elders;
- b) The level of professionalism with which the firewood is delivered to Elders is not consistent, sometimes leaving Elders to stack and move the wood themselves; and
- c) The People's Assembly is of the view that there is a need to ensure certain minimum standards with respect to the delivery of firewood to Elders are in place.

Be it resolved that the People's Assembly hereby recommends that:

- 1) Executive Council create a policy regarding the provision of firewood to Elders (the "Elders Firewood Policy"); and
- 2) That the Elders Firewood Policy include a requirement that the firewood to be stacked and accessible to Elders and that, where needed, infrastructure be put in place to keep the wood dry.
