Irene Peters

Family. Culture. Land and resources. We are guided by our elders and our sense of unity and community.

I believe in working together as one and truly listening to the voices of our people;

guided by our teaching of hishuk tsawalk (everything is one and connected),

uuathluk (taking care of all living things and each other or one another), and

Isaak (respect for the environment, respect for our teaching and knowledge and those gifts passed down from generations, respect for everything we do and respect for each other and Nas' the light of day); these values are important to me.

STAND

Raised with and grounded in the traditional values of hishuk tsawalk and uuathluk

20 years of experience in administration, leadership and traditional roles

Within the past 5 years worked closely with Maa-Nulth Treaty Society, Tseshah, Quu-asa & Nuu-chah-Nulth Tribal Council-Finance Department

Dedicated, honest, reliable and hard-working with pride and integrity

Continuously learning with the intention of inspiring others

Allow me a chance to be your voice and continue to follow the guidance of our ancestors. I want to hear your voices as peoples. I guarantee I will achieve our goals with
