ANCIENT SPIRIT, MODERN MIND

## *Canadian Navigable Waters Act*

Huu –ay-aht First Nation hereby gives notice that a submission has been added to the Navigable Waters Registry pursuant to the *Canadian Navigable Waters Act* for public comment described herein and its site and plans.

Pursuant to paragraph 10(1)(b) of the said Act, Huu –ay-aht First Nation has deposited with the Minister of Transport, on the on-line Navigable Waters Registry (<http://cps.canada.ca/>) and under registry number 754, a description of the following work, its site and plans: for their proposed Run-of River hydroelectric project inclusive of an intake / weir across, and aerial cable over the Sarita River.

The intake / weir is located ~ 650m downstream of Sarita lake spanning from Latitude:48.9051; Longitude: -124.9126 to Latitude:48.9045; Longitude: -124.911. The aerial cable crossing is located ~ 680m downstream of the intake / weir spanning from Latitude:48.9027; Longitude: -124.9205 to Latitude:48.9023; Longitude: -124.9207.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section (search by the above-noted registry #) or, by sending your comments directly to [nick.balaban@barkley.ca](mailto:nick.balaban@barkley.ca) if you do not have access to the internet.

Note that comments will be considered only if they are received not later than 30 days after the February 7, 2020 online publication of this notice.
