Notice of By-Election Delay

Notice is hereby given that the by-election for Councillor for the Huu-ay-aht First Nation has been delayed until a date to be determined in September 2020. This delay has been necessitated by the corona virus pandemic and the need to help to ensure that Huu-ay-aht citizens are not unduly exposed to the Covid 19 virus.

Additional measures, including modification to the nomination processes and the all-candidates meetings, and the implementation of electronic voting and other alternative voting systems are being considered to ensure the safety of Huu-ay-aht citizens.

Further information and a precise election date will be provided as the conditions with respect to the pandemic evolve and in consideration of the advice provided by the Provincial Health Officer.

These measures are being taken by the Election Commissioner pursuant to the extraordinary powers granted to the Election Commissioner under s.19(c) of the Election Act.
