## PUBLIC NOTICE

November 5, 2020

To all Huu-ay-aht Citizens:

**PUBLIC NOTICE** is hereby given that:

The Special People's Assembly, scheduled for Saturday, November 21, 2020, will be postponed until further notice.

At the Special People's Assembly on July 25, 2020, the meeting was postponed until more information was available for citizens on the proposed transaction between Western Forest Products and Huu-ay-aht First Nations.

At this time, some of the conditions for closing the transaction have not yet been met. For this reason, Executive Council has decided to postpone the Special People's Assembly. A new date will be set when all of the information citizens need to make an informed decision about the transaction is available for discussion.

The other decision on the agenda at the Special People's Assembly was the 60-year lease with M'akola. Discussion on this matter will be delayed as M'akola Housing will no longer be Huu-ay-aht's housing provider. Administration is in the process of identifying and contracting other housing providers. Citizens will be given an opportunity to offer their input at a later date.

If you have any questions, please contact Rachel Young ([Rachel.y@huyuayaht.org](mailto:Rachel.y@huyuayaht.org) or 1-888-644-4555) to arrange a meeting with Chief Councillor Robert J. Dennis Sr.
