

**Western Forest Products Inc.**  
DEFINING A HIGHER STANDARD™

## **Entry Level Production Workers - Chemainus Sawmill**

Chemainus, BC, CA

### **POSITION OVERVIEW:**

Western Forest Products is looking to hire **Entry Level Production** workers to join our Chemainus Sawmill Division. This is a United Steel Worker (USW) unionized position with very competitive wage rates.

Entry Level Production workers must be available Monday-Friday for graveyard, day and afternoon shifts. **Employees begin on an on-call basis and are required to work a variety of shifts until a full-time position becomes available.**

As this position is considered safety sensitive, all successful candidates will be subject to a pre-employment drug test.

### **RESPONSIBILITIES:**

Entry Level Production workers will support our teams by performing various manual labour duties. On the job training will be provided to the successful candidates.

### **QUALIFICATIONS:**

- Excellent safety record and strong work ethic
- Demonstrated commitment to safety
- Demonstrated ability to work both as part of a team and with minimal supervision
- Desire to participate in an organization committed to continuous improvement
- Grade 12 or equivalent
- Accountable and dependable

### **The following would be considered assets**

- Experience working in an industrial or trades-related environment
- Mobile equipment certification/experience
- First aid training/WHMIS preferred (**valid Level III First Aid ticket a definite asset**)
- Lumber grading ticket/experience a definite asset

## **ABOUT WESTERN FOREST PRODUCTS**

Western Forest Products is a Canadian forest products company that sustainably manages forests and manufactures high-quality wood products. We are committed to providing the most sustainable building products on the planet. With operations in the coastal region of British Columbia and Washington State, Western Forest Products meets the needs of customers worldwide with a specialty wood product focus and diverse product offering sourced from our secure access to a variety of coastal BC tree species. Our progressive approach to safe and sustainable forestry practices and large investment in manufacturing ensures the health and prosperity of our forests, communities and business for generations to come.

We provide equal opportunity in recruitment, career development, promotion, training and rewards for all employees.
