

Western Forest Products Inc.
DEFINING A HIGHER STANDARD™

Entry Level Production Worker - Value Added Division

Chemainus, BC, CA

POSITION OVERVIEW:

Western Forest Products is looking to hire **Entry Level Production Workers** to join our Value Added Reman Division located in Chemainus, BC. This is a great opportunity to gain experience in a mill environment. We will train the successful candidates for the various jobs, no previous mill or labour experience required!

Production Workers must be available Monday-Friday for rotating day and afternoon shifts (day shifts 7:30-3:30; afternoon shifts 3:30-11:30).

These are Public and Private Workers of Canada (PPWC) unionized positions with a starting wage of \$21.45/hour and comprehensive benefits and pension.

As these positions are considered safety sensitive, all successful candidates will be subject to a pre-employment drug test.

RESPONSIBILITIES:

Production Workers will support our teams by performing various manual labour duties. These are entry level positions with on the job training provided to the successful candidates.

QUALIFICATIONS:

- Excellent safety record and strong work ethic
- Must be able to do physical labour and repetitive tasks
- Demonstrated commitment to safety
- Demonstrated ability to work both as part of a team and with minimal supervision
- Desire to participate in an organization committed to continuous improvement
- Grade 12 or equivalent
- Accountable and dependable

The following would be considered assets:

- Experience working in an industrial or trades-related environment
- Mobile equipment certification/experience

- First aid training/WHMIS preferred (valid Level III First Aid ticket a definite asset)
- Lumber grading ticket/experience a definite asset

ABOUT WESTERN FOREST PRODUCTS

Western Forest Products is a Canadian forest products company that sustainably manages forests and manufactures high-quality wood products.
