łiišín Academic Excellence Award & School Supply Allowance 2021/2022

**IMPORTANT:
ATTACH COPY OF
FULL YEAR'S
REPORT CARD**

Huu-ay-aht First Nations will provide three programs for families with school-age children this school year: *School Supply Allowance*, *Scholarship Awards*, and additional supports for the 2022-2023 school year based on the individual needs of students transitioning back to schooling post-pandemic.

- ***łiišín Academic Excellence Award*** is our Honour Roll, and is available to students in Grades 5 through 12. This award is presented to all students with a B average or higher.
- ***School Supply Allowance*** is provided for students entering Kindergarten and Grades 1 through 12.
- ***Additional Supports on 2022-2023: Student Attendance Recognition*** will not be offered for the 2021-2022 school year; we encourage parents and caregivers to work with classroom teachers and HFN Education staff to identify additional supports that students might need to be successful in this transitional year. Every student has had a unique experience during the past 18 months, and

some may require supplementary supports such as tutors, counsellors, recreational activities, technology, or other tools that HFN Education may assist with.

Why is HFN Education asking for report cards?

- Report cards will help HFN Education identify supports for students, their current grade for School Supply Allowance levels, and support their scholarship applications.

How do we apply?

- **Forward a copy of the student's final report card from the 2021/22 school year.** School Supply Allowance and the *łiišín Academic Excellence Award* will be automatically calculated.

Entering Kindergarten in September 2022?

- Simply submit a request and address confirmation form to receive a School Supply Allowance - no report card is required.

What is the School Supply Allowance?

- Kindergarten & Grades 1 – 5 receive a \$50 cheque; Grades 6 -12 receive a \$100 cheque. Please confirm your current address on the form.
