Local Government Climate Action Program Survey Submission Report

Huu-ay-aht First Nations

Report generated on Monday, July 11, 2022 09:14 PST

Question	Answer
1. Does your local government or Modern Treaty Nation have a climate action plan or strategy?	No, and we are not intending to undertake due to lack of financial capacity
2. For the calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose corporate greenhouse gas (GHG) emissions?	No, and we are not intending to undertake due to lack of financial capacity
3. For calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose a community-wide emissions inventory?	No, and we are not intending to undertake due to lack of financial capacity
4. Is your local government or Modern Treaty Nation tracking progress on its community-wide GHG reduction target?	No
4.e. If no, select all that apply:	"No, due to a lack of resources"
5. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Buildings	Building new housing to meet step code 3 in collaboration with BC Housing and CMHC. New cultural center designed to use heat pumps.

6. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Transportation	Clearing overgrown walking/hiking trails to connect Anacla with Bamfield
7. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Community	community garden developed. Have community plan in place with zoning. Undertaking remedial action to combat climate change at National Histori
8. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Climate Resilience	Completed technical review of climate change impacts on Kiixin National Historic site. Site is being overtaken by storm surge and higher water as well as overgrowth of trees which limits air movement to preserve existing structural elements of ancient village.
9. Which elements of your community's current official community plan (OCP) (or other relevant strategies, policies and/or plans) support the creation of more complete, compact communities?	Subdivision plan created and approved for new housing development, leading to the creation of a community center which includes the government office, House of Huuayaht, new cultural center and proposed child care. HFN has complete control over all zoning and has approved all development
10. What actions has your local government or Modern Treaty Nation taken to increase community completeness and compactness since 2020 (e.g. urban containment boundary, increasing density by allowing secondary suites and laneway or carriage housing options)?	HFN has increased density by constructing multi-family residences and locating all new development around a community center.
11. What data would be most valuable to your local government or Modern Treaty Nation in decision-making related to the creation of complete, compact communities?	Current population data not based on census as that is too old.
12. From 2021 to now, has your local government or Modern Treaty Nation taken any action(s) to address climate impacts?	Completion of the climate impact study of Kiixin National Historic Site. Outcome is recommendations for mitigation which hopefully further funding will allow.
13. Has a climate risk and vulnerability assessment (or similar assessment) been undertaken for your local government or Modern Treaty Nation?	No, but we are intending to undertake one in the next two years

14. What are the three most significant climate hazards faced by your jurisdiction	"Coastal flooding, storm surge events and/or other coastal hazards", "Wildfire", "Wind, rain, and other storm events", "Water shortage", "Overland flooding", "Ecological, cultural and/or human health impacts (examples of cultural impacts include threats to identities, languages, and livelihoods; examples of ecological impacts include biodiversity loss, erosion, invasive species, ecosystem changes)", "Extreme heat and heat stress", "Extreme cold, snow and ice"
15. Are you responding to this survey on behalf of a Modern Treaty Nation?	Yes
16. Based on the hazard you indicated as most significant in question 14, as a Modern Treaty Nation, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Not applicable"
17. Based on the hazard you indicated as second most significant in question 14, as a Modern Treaty Nation, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Not applicable"
18. Based on the hazard you indicated as third most significant in question 14, as a Modern Treaty Nation, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Not applicable"
19. Select the top three factors your local government or Modern Treaty Nation needs most to increase the capacity to adapt to climate impacts and build community resilience.	"Increased funding", "Increased staff knowledge, expertise and data specific to climate adaptation", "Increased staff capacity"
20. How does your local government or Modern Treaty Nation ensure equitable access to, and distribution of, climate action opportunities and benefits?	"There are no specific measures in place at this time to ensure equitable access to, and distribution of, opportunities and benefits"
21. Do the climate action plan(s) and priorities of your local government or Modern Treaty Nation align with the climate action plans and priorities of senior levels of government?	"Yes, we assess our plans and priorities for multilevel alignment"

22. Is your local government a signatory to the B.C. Climate Action Charter or a Modern Treaty Nation?	No
23. To demonstrate commitment to climate action, climate investments (i.e., matching funding or in-kind contributions) equivalent to 20% of the provincial funding received are required of local governments and Modern Treaty Nations. The intent is to show past, current, and future investments in climate action and create awareness and education.	"Staff time", "Climate resilient infrastructure and/or capital project(s)"
24. Please provide your (or survey primary contact's) first and last name.	Jim Lee
25. Please indicate your (or survey primary contact's) position with your local government or Modern Treaty Nation.	Strategic Planner
26. Please provide your (or survey primary contact's) business email address.	jim.l@huuayaht.org
27. Please provide your (or survey primary contact's) business phone number.	2507230100
