

SEASONS' GREETINGS TO ALL FROM JEN DEHONEY AND SANDY CUNNINGHAM

A big thank you to all those who have reached out to us. We appreciate your trust and confidence in us. We are an independent Panel of Inquiry, not directed by anyone, mandated to inquire into any allegations of abuse of power, intimidation, harassment, assault, sexual harassment or sexual assault committed by public officials.

We have regrouped since Marge White's resignation and will be looking to a Working Group of Huuayaht citizens to help ensure that any recommendations we make will reflect Huuayaht needs, values, concerns, laws and culture.

We will be in Port Alberni on Monday, January 9th, 2023 and Tuesday, January 10th and hope to talk to as many of you as possible. Please contact us to talk about meeting with us through our confidential gmail account, hfnpanel22@gmail.com or directly through email or cell phone:

Sandy: scunningham56@gmail.com cell: 604-362-3207

Jen: jendehoney@gmail.com cell: 604-671-8652.

We urge anyone who has direct or indirect information about misconduct by public officials in your community to contact us. We will keep the fact that you contacted us completely confidential. We will hold anything you say to us in confidence. We do need to hear your knowledge, experiences and expertise in order to suggest changes that will make your community a healthy and safer place to live for all.

Best wishes for the New Year!
