## Ḥawiiḥ Council

February 10, 2023

**PUBLIC NOTICE** is hereby given that:

The Ḥawiiḥ Council has issued an interim order suspending the effect of the exclusion order issued against Cory Howard until the sooner of the outcome of the hearing of the application to rescind the exclusion order or further order of the Ḥawiiḥ Council.

On September 7, 2022, Mr. Howard was convicted of the offence of assault under section 266 of the *Criminal Code*. As a result of this conviction, an exclusion order was issued against Mr. Howard prohibiting him from being on HUU-ay-aht treaty lands.

Mr. Howard has made an application to the Ḥawiiḥ Council for a determination that he does not pose an unreasonable risk to public safety and that the exclusion order issued against him should be rescinded. The Ḥawiiḥ Council will be conducting a hearing to decide whether to rescind the order as Mr. Howard has asked.
