

**November 19,2022 Citizen Motions**

Title of Motion	Motion	Executive Council Discussion	Status of Motion
Elder Benefits	Recommends to Executive Council to investigate securing the \$500/month benefit on a permanent basis.	Refer this to the Finance Committee for inclusion, consideration, and recommendations in the upcoming budget.	Finance committee direct the Executive Director to have two reports created. 1 to develop a regulation and the other for Executive Council to use political measure to improve and increase the effectiveness on the elder benefit payments.
Implementation of Social Services Panel Recommendations	Immediately direct that a citizen be hired to a full-time position responsible for ensuring that all 30 recommendations set out in the Social Services Panel Final Report are implemented, for monitoring ongoing implementation of the recommendations and to otherwise assist as needed in the Child and Family Wellness Department.	Refers this to the Citizen Development committee	The committee went through the 30 recommendations and have requested that a communications piece be posted for citizens to review.
Animal Control Officer	Direct that the animal control officer be based in the Anacla Government Office	Executive Council directed the Executive Director to reach out to the Ucluelet First Nations CAO.	The Executive Director has had conversations with the CAO, we are currently waiting for information.
Anacla Dog Park	Direct the construction of an enclosed, grassy dog park	Moved to receive this report	The Director of Lands is currently working on finalizing
Heating in Rental Housing	Direct that woodstoves be installed in all Huu-ay-aht rental housing that does not have wood heat.	Refers this to the Law and Policy committee for policy update or new regulation regarding building and rental housing.	This has not yet been to the LPDC but will be looked at in April.
Rental Housing Construction Standards	1) Require improved safety and building standards in the construction of new Huu-ay-aht rental housing;	This was a blended topic with the heating in rental housing and was also deferred to the Law and Policy	This will be going to the LPDC in April

**November 19,2022 Citizen Motions**

	<p>2) Direct that better deficiency inspections be conducted following completion of construction of Huu-ay-aht rental units; and</p> <p>3) Direct that a review be conducted to determine if it is possible to add a second means of egress to existing units with only one exit.</p>		
<p>Construction of New Motel</p>	<p>Explore the possibility of constructing a new motel in the Anacla/Bamfield area.</p>	<p>Refers to the Economic Development and Development Capital Raise team</p>	<p>There has been discussion around this and will have further information at a future date.</p>
