FIRE BAN IN EFFECT FRIDAY

Effective at 12 p.m. (noon) PDT on Friday, July 12, 2024, campfires will be prohibited throughout the Coastal Fire Centre, except for the Haida Gwaii Forest District. This prohibition is being enacted to help prevent human caused wildfires and protect public safety.

These prohibitions apply to all public and private land within the Coastal Fire Centre jurisdiction, unless specified otherwise in an enactment (e.g., in a local government bylaw). Always check with local government authorities to see if any other burning restrictions are in effect. Category 2 and Category 3 open fires remain prohibited in Haida Gwaii Forest District.

This prohibition will be in place until 12 p.m. (noon) PDT on Thursday, Oct. 31, 2024, or until the order is rescinded.

This prohibition does not include the use of outdoor stoves. As per the Wildfire Regulation, an outdoor stove is a CSA-rated or ULC-rated device used outdoors for cooking, heat or ambiance that burns charcoal briquettes, liquid fuel or gaseous fuel, and has a flame height that is less than 15 cm tall.

For more information, please visit the Government of B.C. website

They will be patrolling in lower and upper Anacla village and Pachena Bay campground 5 days a week.

ANCIENT SPIRIT, MODERN MIND

For any questions for Footprints Security, please reach out to Debbie Shea,
Director of Operations - Central Island.
250-618-5989 debbie.shea@footprintssecurity.com

What is their role?

The Witwak/Footprints security team's primary role is to deter criminal activity, keep our community safe, and monitor the private sites at the campground. This means they conduct patrols to protect lands and properties, monitor surveillance cameras and alarms, and report urgent and criminal matters to the RCMP. They do not have the authority to remove people from HFN TSL or detain them. We all play a role in keeping our community safe. It is critical for issues involving a criminal nature, such as physical or sexual assault, including drinking and driving, please contact the RCMP immediately.

Non-emergency: 250-723-2424 or in an emergency, call 9-1-1.
